This news release may contain statements that are not current or historical factual statements that may constitute forward-looking statements or future oriented financial information. These statements are based on certain factors and assumptions, including, expectations regarding the expected growth in the value of support contracts for the LPR business, price and liquidity of the common shares, competition for skilled personnel, expected financial performance and subscription-based revenue, business prospects, technological developments, development activities and like matters. While Route1 considers these factors and assumptions to be reasonable, based on information currently available, they may prove to be incorrect. These statements involve risks and uncertainties, including but not limited to the market demand for the Company's products and services and risk factors described in reporting documents filed by the Company. Actual results could differ materially from those projected as a result of these and other risks and should not be relied upon as a prediction of future events. The Company undertakes no obligation to update any forward-looking statement or future oriented financial information to reflect events or circumstances after the date on which such statement is made, or to reflect the occurrence of unanticipated events, except as required by law. Estimates used in this presentation are from Company sources. Past or forecasted performance is not a guarantee of future performance and readers should not rely on historical results or forward-looking statements or future oriented financial information as an assurance of future results.
